Dear Miss Jessup: — Jan 31 - 66

Please excuse this belated Xmas Card.

Have been ill with "Flu" and may had so many problems - like all of us.

My Daughter is still with me, my son Borth and his family have been touring Mexico, Texas and other parts of the U.S. He has almost no time of his own and really needs someone to look out for his personal affairs - His wife speaks no English. I can never forget you and your great heart - a true artist and a great woman. Hope things are well with you - James always calls me - bless him.

Your friend Portia —
With warm and friendly wishes

* for a Merry Christmas *

and a Happy New Year
